College Station, TX 77845  
(979) 458-6650

Eligibility Criteria – **Applications Must be Submitted by September 29, 2017**

1) Must own a minimum of 10 contiguous acres of pine species (e.g. loblolly, longleaf, shortleaf, etc.)
2) Stand must be a minimum of 120 sq. ft. basal area
3) Stand must be a minimum of 70% pine
4) Proposed stand must be located within one of 23 priority counties which include: Angelina, Cass, Cherokee, Hardin, Harris, Harrison, Houston, Jasper, Liberty, Marion, Montgomery, Nacogdoches, Newton, Panola, Polk, Rusk, Sabine, San Augustine, San Jacinto, Shelby, Trinity, Tyler and Walker
5) Stand must be thinned to 80 sq. ft. basal area or less
6) Treatment must be completed within 18 months of application approval date
   - Landowners will not be allowed an extension if thinning is not completed within 18 months of approval
   - Thinning treatment cannot begin until after approval of application

FY 2017 Cost Share Rates

1) $50/acre for both individual and partnership/trust ownerships
2) 50% of costs of services provided by private consulting forester, not to exceed $5/acre
3) Maximum cost-share allowed per federal fiscal year (October 1 – September 30) is $5,000 for all approved cases

Submitted applications will be reviewed by program manager and funding for approved applications will be awarded on a first come/first serve basis. Applicants will be notified by TFS as to whether or not their application has been approved.

Upon completion of thinning, TFS will visit the site to verify the treatment has been implemented to program standards. The TFS forester will submit a completion summary which includes the completion date, tons of pulpwood removed (copy of mill receipts will be needed to verify the amount and product removed from site) and landowner’s signature verifying the completion of the treatment. If a consulting forester is involved and cost-share funds are being requested a receipt showing the amount paid to the consulting forester should be included with the completion summary. The completion summary will be submitted to the Program Manager at the address above for review and processing for payment.

If you have any questions, please contact your nearest Texas A&M Forest Service office or Shane Harrington, Program Manager, College Station, TX, (979) 458-6650, sharrington@tfs.tamu.edu.
